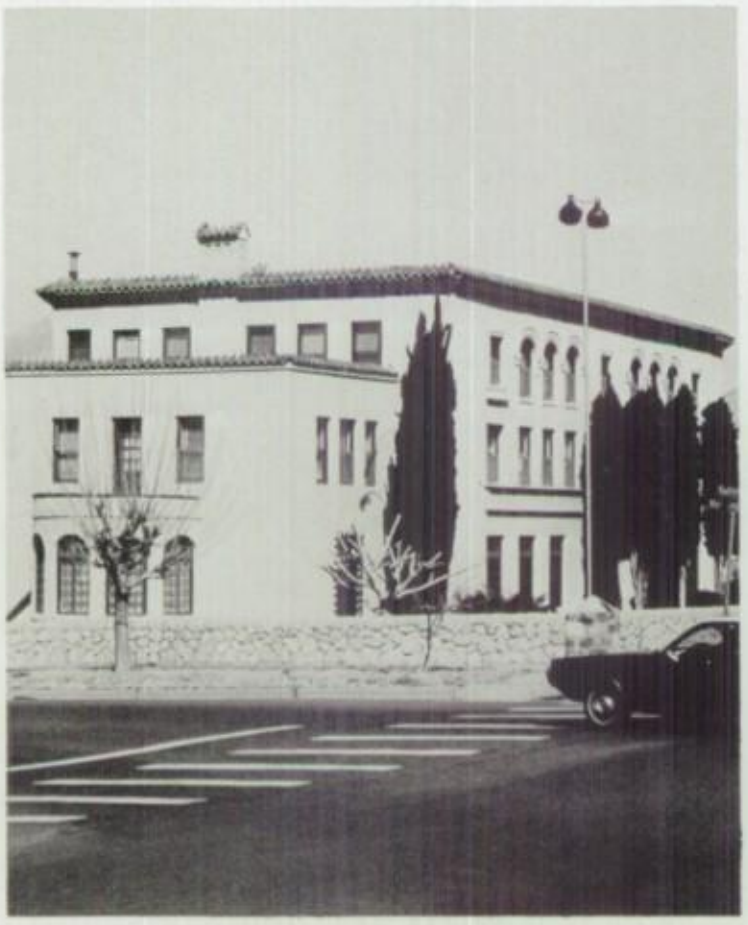
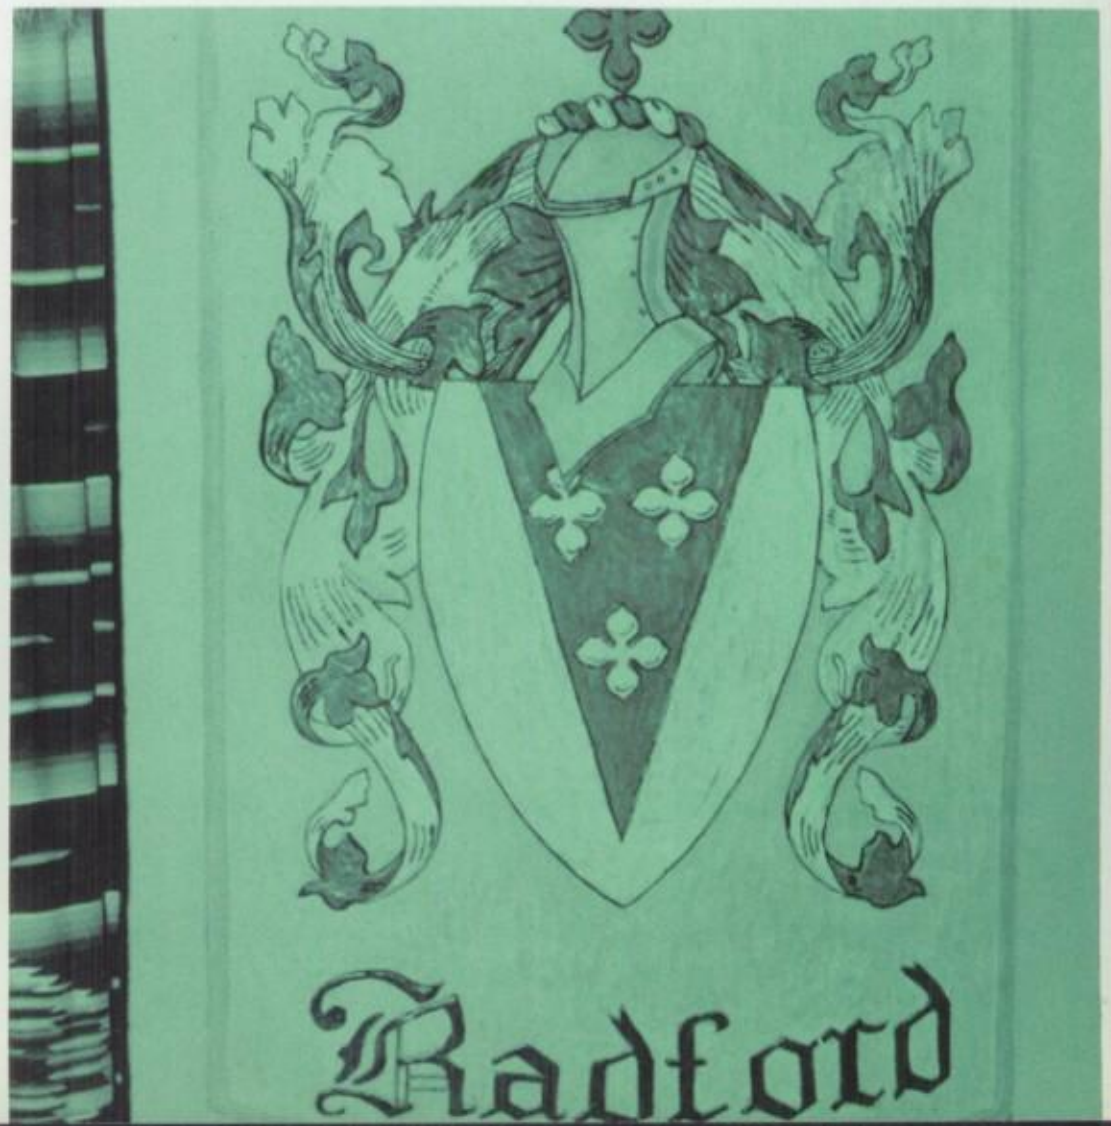
Radford School first opened its doors in 1910 under the name of El Paso School for Girls. Both a boarding and a day school, it was described by the El Paso Herald as "a very unique institution, the first of its kind in the Southwest." Located in the western part of the city, the school was housed in two buildings at 1113 and 1115 Terrace Court.

In the first Yearbook for 1910-11, the school was described as "founded by citizens of El Paso to provide for their own daughters, and for the girls of the region of which El Paso is the natural center, those special advantages of instruction and training which a good private school offers.

Within five years, the school had outgrown its quarters and a new school was built on Hastings Street, opposite the North Gate of Austin Terrace. The new school, modified Spanish Renaissance in design, opened it's doors in January 1918. Over the arched doorway of the main entrance the architect set a traditional heraldic device, an open book against the cross of service. This device expressed the school motto: Disco Ut Serven - "I Learn, that I may Serve."





The Decades

To ignite student's imaginations, Dr. Templin assembled a collector's museum, ranging from magnificent Napoleonic memorabilia to hundreds of autographed photographs of world renowned personalities and war mementos including a flag which flew over General MacArthur's headquarters in the Philippines.

August 1927 marked the dawning of a new era when Dr. Lucinda de Leftwich Templin assumed duties as principal of the El Paso School for Girls. With perserverance, hardwork, and academic acumen, Dr. Templin transformed the school into one of the best, fully-accredited boarding schools in the Southwest. It was through Dr. Templin's efforts that her friends, Mr. and Mrs. G. A. Radford of Webster Groves, Missouri, acquired the school, paid the mortgage, and endowed the school for future stability. In their honor the school was re-named Radford School for Girls in 1931.

After Dr. Templin's retirement in 1968, the school continued to pursue her particular educational philosophy:

"The great need today is for men and women of ability, of integrity and ideals. This imposes a direct obligation on our schools and colleges. We cannot calmly wait for our world to become a better one; we must make it so. Education is more than book learning. It should not only prepare the students for college but should also provide a broad viewpoint and prepare youth for living."

"It is futile to attempt to make education easy and pleasant for all. There is no easy way to become an educated and disciplined person. It requires work, stamina, courage and vision."

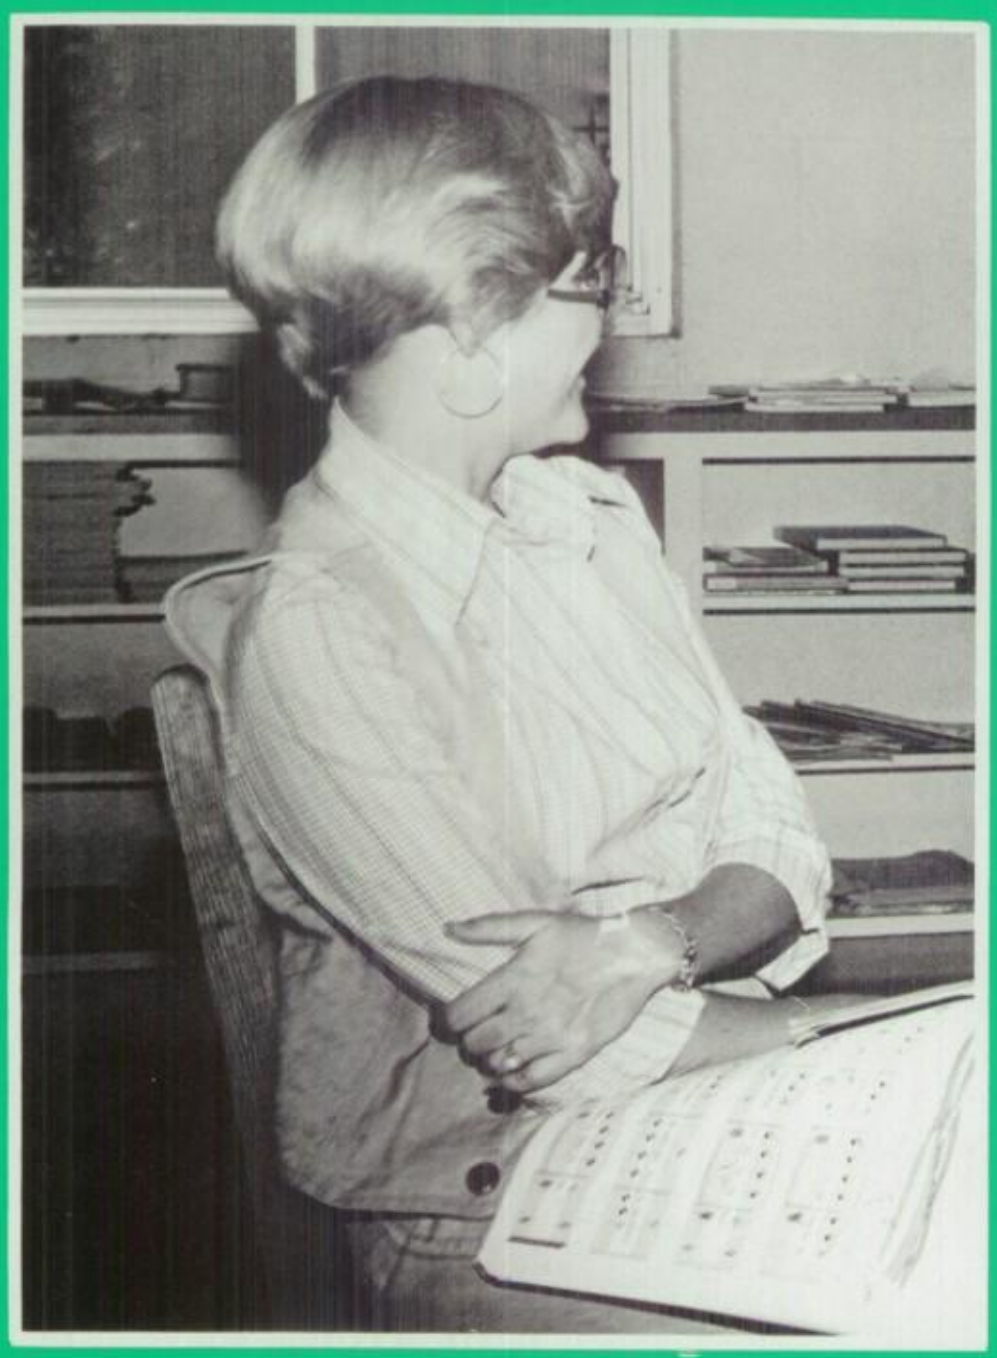
Keeping pace with the times, the School became co-educational during the school year 1976-77, and is no longer known as Radford School for Girls, but simply Radford School. The graduating class of 1980 will be the first to include male students.

By keeping a vivid memory of our marvelous heritage, and eagerly anticipating our challenging future, we at Radford School salute .....

The Beginning

Of A New Decade

Seniors Honor Mrs. Goodspeed



The Seniors and the Yearbook Staff wish to dedicate the 1980 Ocotillo to Ms. Carmen Goodspeed. Since her first day at Radford in 1974, she has been a worker. When the windows in her room stuck or a piano dropped on her foot, Ms. Goodspeed coped! When we weren't willing to work during May Fete or sing in assembly, Ms. Goodspeed joked! (And who wants to be hit with an "OU" joke in a cold auditorium???)

Thank you, Carmen Goodspeed, for keeping our minds clean and keeping our spirits up!!!!

Dr. Benson Addresses Class Of 1980

Radford School 2001 Radford St. El Paso, Texas 79903 (915) 565-2737

To The Seniors Of The Class Of 1980

Your theme, "Beginning of a New Decade", is indeed well chosen. As I write this, my first message to a Senior Class, I am aware that our relationship is in its beginning stage. I am certain, however, that we will continue to the point of lasting friendship and affection.

At the start of a much earlier decade, Dr. Lucinda de Leftwich Templin wrote: "There is only one enduring thing in the world and that is mental development." These words are as relevant today as they were back then. Equally as importnt as your academic preparation at Radford has been your personal development. You are all individuals of integrity and honesty. You are independent thinkers, capable of making intelligent decisions, and you have been well prepared to deal with the challenges and triumphs of the future.

As the time for you to leave Radford approaches, there is much of us that will go with you — best wishes for your happiness, sincere hopes for your personal fulfillment, and pride in you as our graduates. The new decade belongs to you. Encounter it with confidence. Make it not only a time for new beginnings but a time of new and ever greater accomplishments.

Best wishes,

Dr. Phyllis K. Benson

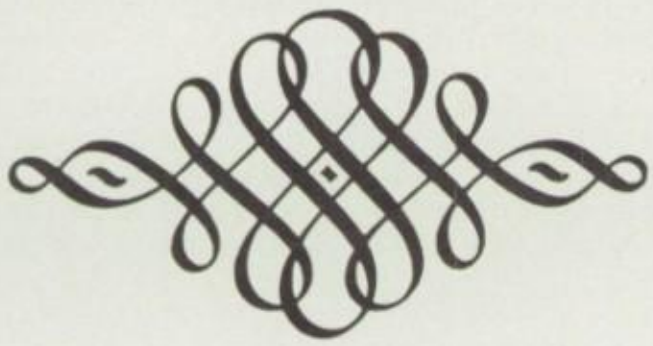
Last Will And Testament

I, SILVIA ARREDONDO, being of sound mind and body do hereby state my will. To my little Sis, SUZANNE, I bequeth a package of paper and a pen refill. This is to re-emburse her for having to use so much ink and scratch paper just to write me notes during her classes. Secondly, I bequeth a security guard to stay with her all during NMMI, and to keep all the bad guys away from her the rest of the time. Also I bequeth a box filled with good fortune and thanks for being a sister to me at a time when my real sister was not with me. To BETH I leave my gifted talent for playing backgammon so that she, like me, can become professional and win every game. In addition I leave my alarm clock so she can get up as early as I do and not be so late for class. Thirdly, I bequeth her glue in order to adhere the excellerator of her car to the floor thereby saving her all the trouble of flooring it at each intersection - she can just pass on through! To GABY I leave Nashville East and my flirtatiousness so that she will be guaranteed every dance. Also I leave her a fake ID so that she may enter legally. To SUSAN I leave the wonderful memories of Mr. Rojero and our biology classes, in hope that she has them again in college. Thus she can be assured of straight "A's". To my devil, SABINE I leave my good times during my senior year in the hope that she will enjoy Radford as I did.

I, LESLIE BENSON, do hereby leave to my little sister, KIM, a guy with blond hair who lives on Vista del Monte as well as all the great parties we had at "Berio's Bar." But mostly I leave her all the great memories of all the crazy and adventurious experiences we had together. To my devil, VALERIE, I leave an easier way to make good grades and a particular spot down in the Upper Valley which used to be a watering hole. To my other devil, MICHAEL, I leave a full year's supply of sleeping pills for him to use before each assembly - but don't snore too loud! As for the rowdy foursome - TERI, JOLEEN, SHANNON and WOMAN - I leave to them all the Coronado parties, Frat parties and surfers with the hope that all of them will keep their perverted and fantastic personalities. For DEBBIE I leave an audition for the leading part in Rocky Horror Picture II. To SUSAN I leave a book of the "Best Excuses in the World" so that she can use it to either get out of a bad situation or be able to talk to someone so that she can hear his voice. To GABY I leave a treasure chest filled with tons of money so that she may buy her dream horse and also the wish that all she hopes for will come true. To BETH I leave a roll of tape so she may use it at times instead of sticking her foot in her mouth.



I, RUBEN AYALA, leave to my little sister, LISA, a trip to Columbia and Acapulco and a pound of gold. To my devil, ANNE, I leave at least 15 kegs and lots of "high times". To ADRIANA I leave Lee and his blue "vette". To IMELDA I leave a dozen white mice and all the happiness in the world. To JOLEEN I leave all the good times we've all shared. To the people who helped write this will, I leave 12 free writing lessons. But most of all, I leave to the people of Radford this one last thought - "I WAS HERE!"

I, BETH BLACKHAM, being of humorous mind and sound body, do hereby leave my precious and valued possesions to the following: To GABY I leave a crow bar to open your wallet. Also I give you a thread from Paul Mc Cartney's skivies. And last but not least I leave you a $50.00 gift certificate to Nashville East which will probably last about 6.3 minutes. To CLAUDIA I leave a night at Mr. Gatteys and the floorboard of my car. To KANDEE I leave a world of happiness and double cheeseburgers without the meat. To SUSAN I leave a year's pass to Chico's Tacos and Jeff to hit. To RUBEN I leave a thousand dances with Kellie and all my tardy passes.

I, KANDEE DEN, being of sound mind and body, do hereby will to Sylvia first place in 3 tricycle races at Nashville East. This should enable her to buy many drinks for all her friends. To GABY I leave an all-star position on the most famous volleyball team of her choice. Then she can be in at least one winning game! To SUSAN I leave one wild and fabulous date with Burt Reynolds and a drive along a California beach in an 80 Vette. To BETH I leave all the money she'll ever need so she can pursue her interest in photography and become world famous. To LEE, RUBEN and FRANK I leave many years of college with predominately male classes so they'll no longer feel like "the only guys around." To LESLIE I leave many memories of this past year working with the 1st and 2d graders. I also leave her all the children she could desire in the future, but especially all the happiness she could ever want. To TERI I leave a bright and happy life to go with her sweet personality. To IMELDA and ADRIANA I leave many friends of different nationalities so they won't miss Radford. To my little sis, DEBBIE, I leave all the craziness in the world plus a book entitled **The 100 Weirdest, Zaniest, Dullest and Most Vulgar Jokes Ever Heard**. To MELINDA, my devil, I leave all my homework and tests from the past 4 years. A also leave her all my joyful moments at Radford. To SUZANNE I leave the ability to become invisible so she can come home late after being out with her boyfriend and not get caught. A also leave her my ability to sell yearbook ads and all the memories of the times we've spent talking about everything under the sun. To Next year's Senior Class I leave the experience of raising money for the yearbook. And to the whole school I leave many years of happiness and fun.

Last Will

And Testament

I, GABRIELLE DUIMICH, being of demented mind and body, do hereby leave my solemn possessions to the following: To my little sis, TERI, I leave a car and a man of her choice. I'm sure her decision will not take very long. To my devil, LEILANI, I leave a pair of ear muffs, so if I talk too much she can put them on. To my devil, ROHE, I leave a pair of transparent flippers to aid him on his days off at the pool. To SUSAN I leave a pair of pink glasses so she can see the world in her favorite color. To SYLVIA I leave a rocket-powered tricycle so she can win every race at Nashville East. To LESLIE I leave a bottle of tall pills because she doesn't deserve to be looked down to. To KANDEE I leave an amulet to protect her from all the dangers of Horizon City. To DEBBIE I leave my acting ability, if any. To KIM I leave my life membership in the URA. To RUBEN I leave a million dollars (once I earn it) for all the patience he has shown whenever I got overbearing in class meetings. Radford Art

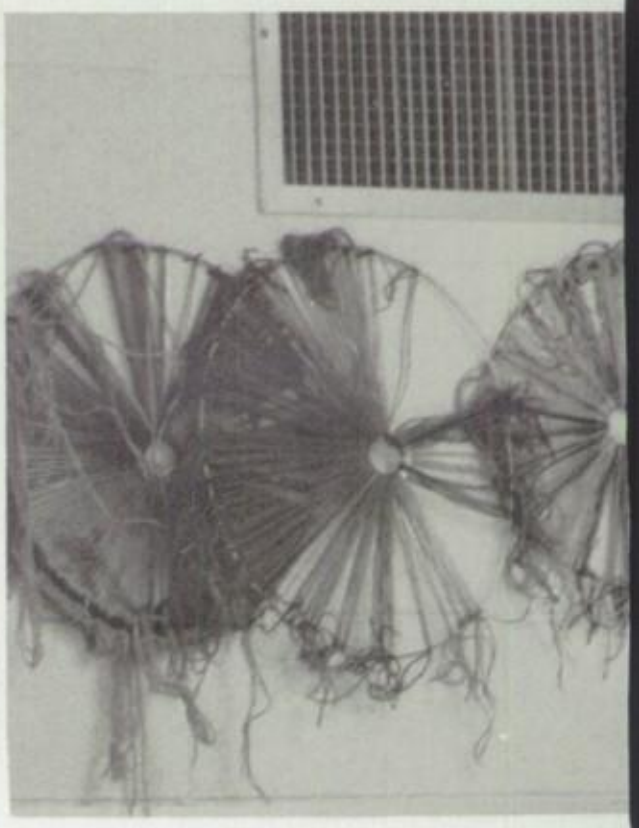
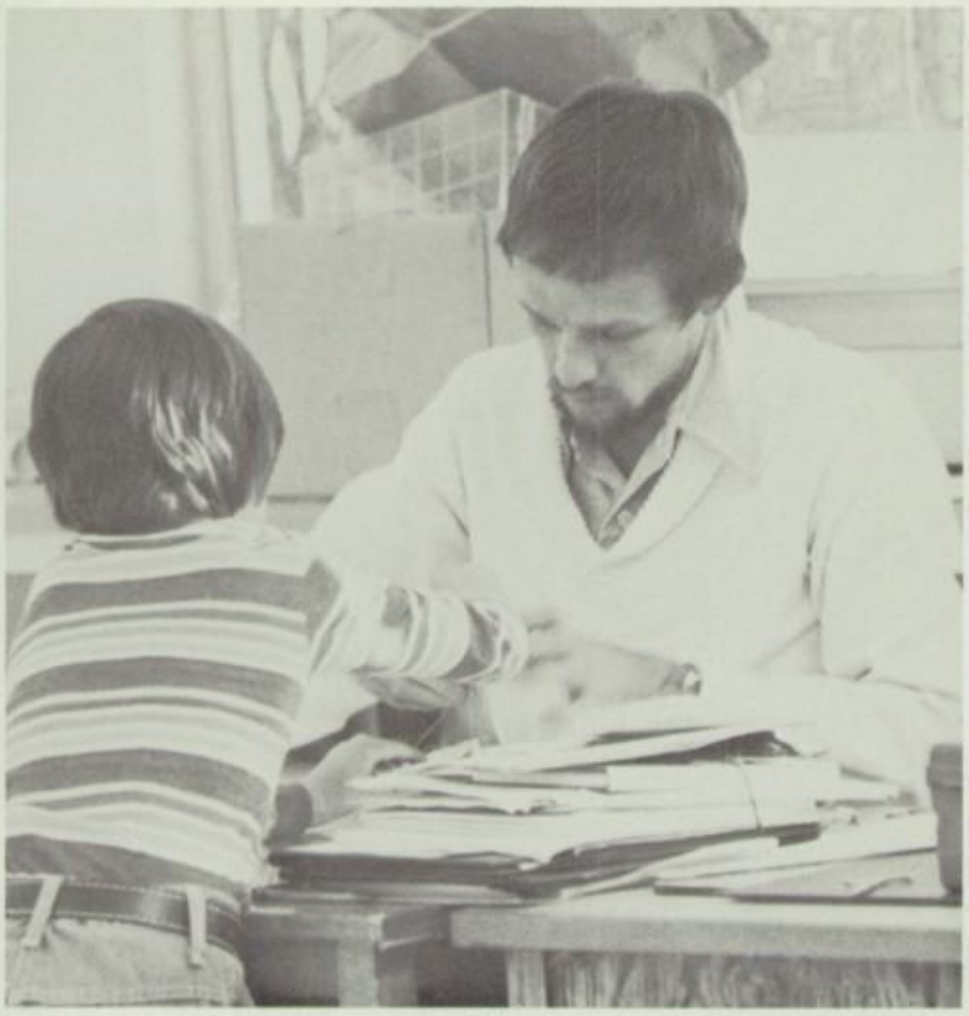
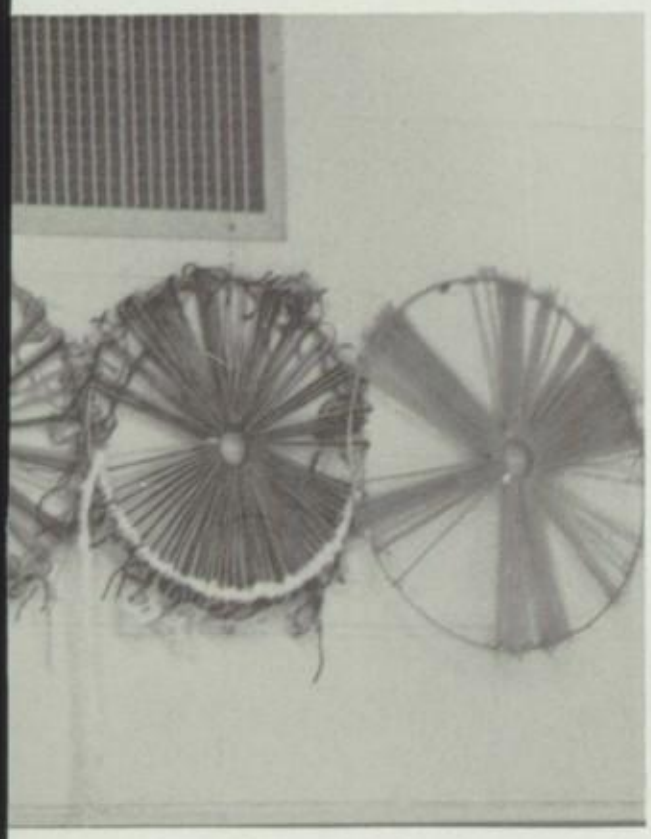
Mr. Steve Beck heads the Art Department here at Radford. At any time of the day you will find him busily teaching the Lower and upper school students the principals of many art forms. These range from soap carving, tissue art and the more conventional drawing and painting to one very interesting new art form.

Under the direction of Mr. Beck, Radford students have learned a unique and ancient form of art. The results are some beautiful circular wall hangings.







The origins of such wall hangings date back to pre-historic times when the craft evolved into an art form. The hangings are mostly crafted from 100% hand spun wools with bamboo, wood, metal, feathers, beads and other materials.

One must use one's fingers, toes and teeth as well as a minimum of 40 hours work per wall hanging. A thorough knowledge of warp, weft and tension along with experience are vital to success in weaving.

El Paso has one of the largest suppliers of weaving material and we are one of the very few schools in El Paso that delves into such an intensive study of textiles.

Maid To Order

Faith Martin is happily married to the football coach of Yarmouth College. On the eve of their biggest game, a rally is scheduled. It is also the evening that Julian Narramore, an old friend of Faith's, is to appear in a program of Shakespearean readings. The two events conflict so there is was between the Athletic and Speech Departments. Faith finds herself right in the middle, especially when Miss Speare, of Speech, accuses her of "carrying-on" with Julian. To top Faith's problem, her rich Aunt Abby, who has never met her husband, is due to arrive. If she approves, all will be well. At the height of preparations for a large dinner Faith's maid quits. To escape the wrath of her husband, Julian masquerades as the new maid - then a new maid arrives, then another, and another. Before the play is over five people are pretending to be the Martin's new maid to everyone's, including the audience's, hysterical amazement. From the first curtain to the last, the audience thoroughly enjoyed the play presented by the Radford Drama Department on Friday, November 9, 1979 at 7:30 P.M.

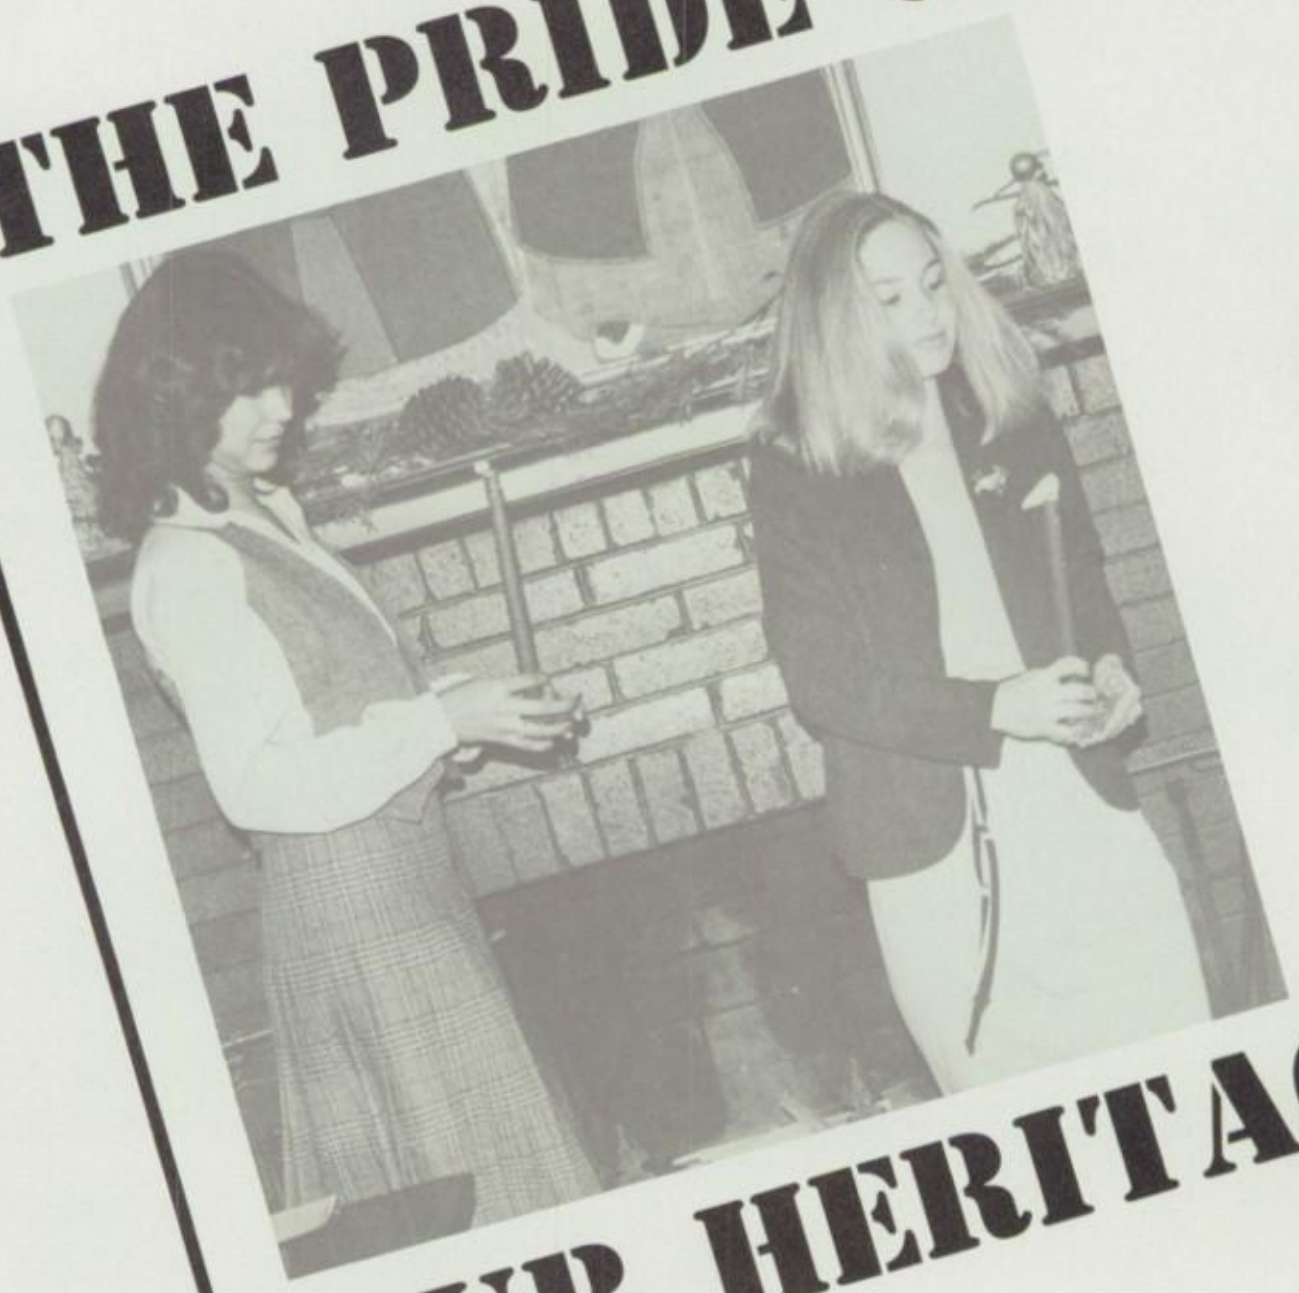
HONORS AND TRADITIONS

THE PRIDE OF



OUR HERITAGE

Radford Day

The annual Radford Day Assembly held on November 10, was opened by Dr. Phyllis Benson who gave us a brief account of the history of Radford School. Mrs. Barbie Crowder, president of the alumni association, presented carnations to all visiting alumni. Mrs. Margaret Meyer was honored as alumni of the year. After a special presentation of traditional Radford songs by the Lower and Mid School Choir, the student body and guests were treated to one of Mary's "special dinners".

Yule Log

Radford's Annual Yule Log ceremony was held in Old Residence on December 16. The audience was greeted in three different languages, English- Gabrielle Duimich, German- Sabine Wilke, and Spanish- Adriana Villanueva. Following the greeting, Leslie Benson, Senior Class President, and Joleen Gallegos, Junior Class President, lit the traditional log with a branch left over from last year.

The Christmas story from the Bible was read by Kandee Den. The benediction was given by Shannon Brewer. Mrs. Goodspeed's upper and mid-school choirs added songs of celebration to the ceremony.

Following the ceremony, refreshments were served by Mary Espinosa and staff.

Radford held it's annual Halloween Carnival on October 26. Each class participated by setting up their own booths with games, food and goodies. Some of them included a Haunted House, a balloon sale and jail, pictures taken with the "Q" kangaroo, and a dart throw. There was a large turn out, and everyone seemed to have a good time.

Student Life

Boarding Life

There are only 15 boarders this year, but they make-up for their small number with lots of enthusiasm. Homes range from Mexico to New Mexico. From their spirit, Radford knows she has a great group of girls.

Arbor Day

On January 15 a new tradition was begun at Radford by the Student Council. Students representing all the classes presented flowers of several sorts to beautify our school grounds in celebration of Arbor Day.

What is a Posada? A Posada is a celebration in Mexico of the birth of Jesus. People go from house to house seeking food and shelter on X-Mas Eve. They are turned away from the first two houses, but at the third house they are invited in for a party. Songs are sung and it's a festive occasion.

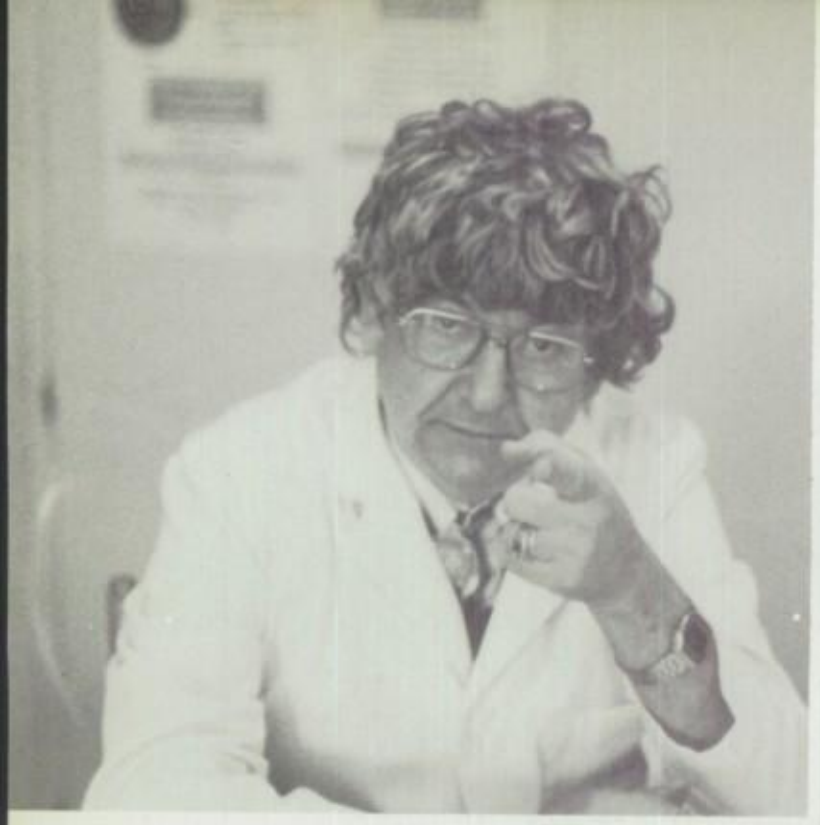
Senorita Jalapeno's Dilemma



Once upon a time, Senorita Jalapeno came to Radford School. She was having a great time until she met up with the mad Dr. Derriere. This mad scientist sent the monster Grendel (alias the English teacher) after poor Senorita Jalapeno. Then the Incredible Hulk from the PE Department came and saved the poor little pepper! During this exciting escapade Mr. Polyester could not have been less interested! And the staff did not approve!

The Radford Student Body celebrated the annual May Fete following the theme "Time Passages." Pictured are the first grade "Yankee Doodle Boys", the sixth and seventh grade "Boogie Woogie Bugle Boys", the third grade "Five Foot Twos", the fourth and fifth grade "Beer Barrel Polka-ers", and the sophomore "Jeremiah the Bullfrogs". The music was beautiful and the dancers were great!

The traditional May Pole Dance was performed by the female members of the Senior Class. The pageant was dedicated to Queen Imelda Linss and all the other members of the Class of 1980.

The Baccalaureate Service was led by Mr. Kenneth Scholten who challenged the Seniors to make the very most of their lives as they search for their goals. The service was followed by the traditional Step Sing competition won by the Senior Class. The evening ended with the robing of the Class of 1981.

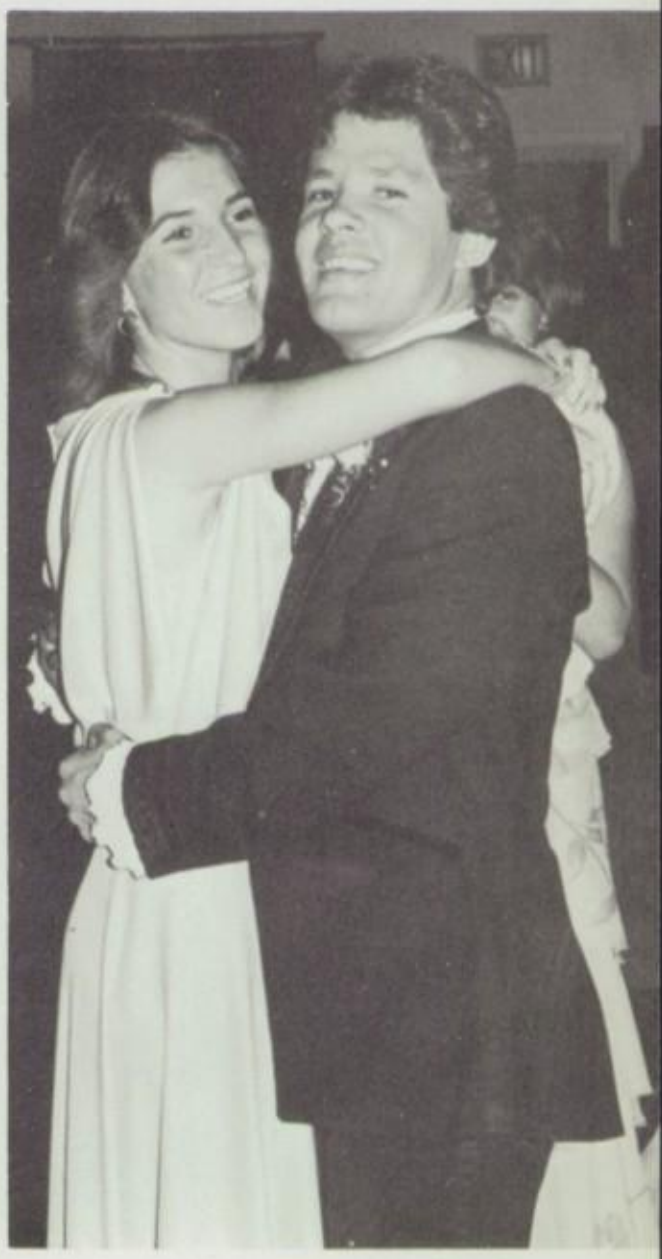
Eighth Grade Graduates

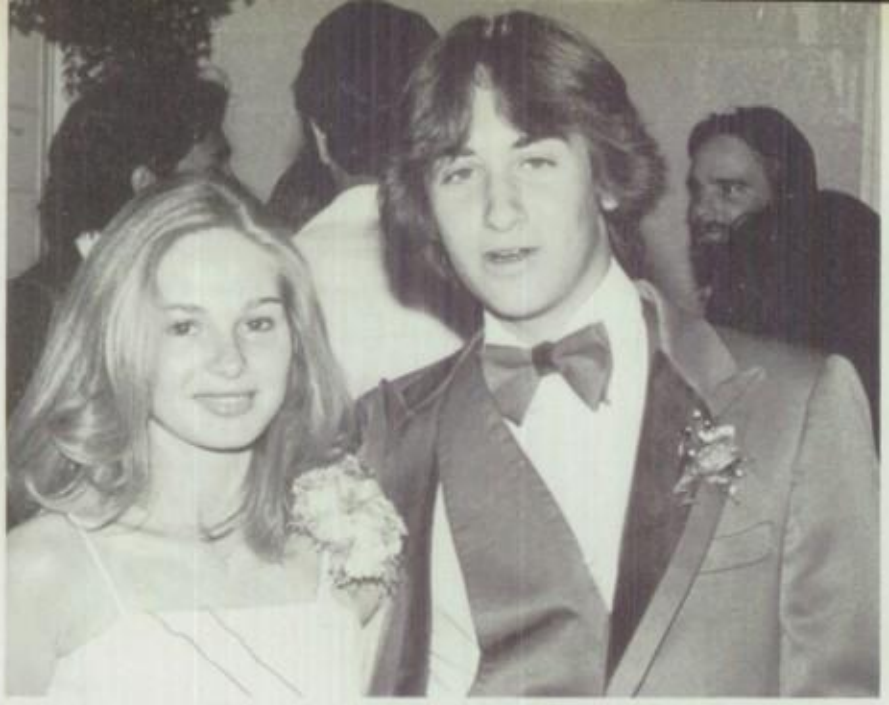
Radford's annual Class Day was full of many awards for outstanding Radford students. Among those receiving honors were Kandee Den, Valedictorian for 1980; Susan Langford, outstanding Radford student; Lee Phillips, Salutatorian; and Mrs. Carmen Goodspeed, recipient of the Yearbook dedication.

Radford's Eighth Grade Class: Richard Dienstknecht, Oliver Hoheisel, Andreas de Guttadauro, Jurgen Pohl, Christoph Hecker, Billy Carter, Gabrielle Wisenhavern, Birgit Harbig, Michelle Futernick, Lisa Whaley, Laura Quinones, Shirley Jo Hall, Christine Sarzanini, and Claudia Cordova. The class was recognized in a special graduation program. The class was addressed by members of the Senior Class and by Dr. Phyllis Benson.

Senior Banquet And Prom

The Senior Banquet and Prom was held at Radford School. The theme "Hawaiian Nights" was evident in the beautiful decorations. The wonderful meal was highlighted by the traditional toasts of the Seniors.





We all give our thanks to Mr. Steve Beck, Mrs. John Langford and Senior Class President Leslie Benson for a marvelous prom!
